

CST Distinguished Alumni Award Nomination Form

The Distinguished Alumni Award is the highest award the College of Science and Technology can bestow upon an alumnus of the college. **Nominees for the award should have demonstrated significant accomplishments in their professions, in business or in public service.** All alumni are eligible for consideration.

The primary criteria for the award are: 1) contributions made in their fields of endeavor, 2) leadership exhibited, and/or 3) general benefits to the larger society resulting from their activities.

In addition, the nominee's contributions to the following five areas are all taken into consideration:

- Education
- Career
- Community Service
- Professional Achievements
- CMU Involvement

Service to the college, including alumni involvement and financial support, is not a criterion for selection, but will be viewed favorably as long as the other criteria are met.
