**Study Abroad Scholarship Information**

In support of its commitment to international education, the College of Science and Technology at CMU will allocate funds to be awarded to CMU students who participate in approved study abroad program:

\$100-\$200	Faculty-led programs (one-two weeks in length)
\$200	Faculty-led programs: students enrolled in CST courses
\$400	Summer study abroad (three weeks in length or more)
\$1,000	Semester study abroad (ten weeks in length or more)

The scholarships are intended to make study abroad more affordable and to encourage more students to take advantage of the excellent opportunities available. Awards will be based on academic merit.

**Minimum Qualifications for Application**

1. Be approved to study abroad through CMU and CST.
2. Full-time, matriculated, on-campus undergraduate or graduate student at CMU at the time of application and during the term of study abroad.
3. At the time of study abroad, undergraduates must have at least sophomore standing; graduates must have completed one semester of study.
4. A dissemination project may be required subsequent to the study abroad experience. This may be a paper or a presentation at SRCEE or at a similar venue.
5. An academic course should be associated with the study abroad experience. Only in exceptional circumstances will funding support be given to other study abroad formats.

**In-Kind Service**

Returning students may be asked to assist other students in speaking to and/or arranging future study abroad trips to the same country.

**Application Deadlines**

Applications for scholarship funding may be made up until the time of departure. However, funding may be limited so that preference will be given to early applications.

**Award Announcements**

Scholarship awards will be announced as soon as possible, but normally not more than two weeks after the date of application.
