

From the Dean

Welcome to the College of Science and Technology's website. As the dean of the college, it is a pleasure to have the opportunity to serve you, our students, faculty, staff, alumni and friends.

Our web pages will attempt to bring you up to date on what we have to offer, what we are doing, and our future plans. I assure you that our eight departments will continue their tradition of excellence in teaching, research and service.

We appreciate our students, loyal alumni and friends, and hope that you will enjoy learning more about us. Our sincere hope is that you will communicate with us, and make comments or suggestions about our academic programs and web pages.

Please stop by for a visit if you are in the Mount Pleasant area. As always, we look forward to hearing from you.
