## Science and Technology Residential College

### Student Participation Record 3

**DUE Friday, 30 April 2010 by 5:00pm in ET 200**

Please record the events and activities in which you have participated as part of the requirements necessary for membership in the Science and Technology Residential College (STRC) beginning on 27 February 2010 and ending 30 April 2010. Note that sponsor signatures are required and Academic events/activities require additional forms (see your STRC folder or the STRC web site for details).

In order to be considered for continued membership in STRC and to be eligible to return to STRC for the next academic year (2010-2011), you need to have participated in at least three events/activities. These need to be spread over at least two of the three categories. (Note: There are more lines available below than the number of events/activities required. We want to encourage you to attend as many events and activities you please beyond our requirements as part of the STRC.)
