Tips:

* Don't wait for help! Come as
soon as you need it.

- * You can come prepared by:
- Attending class
 - Reading your textbook
 - Reviewing class notes
 - Attempting homework
problems yourself
 - Writing down your questions
before coming to tutoring

* *PLEASE* bring your textbook,
syllabus, notes, calculator, and
any attempted homework.

*The goal of the Math Center is to
give students additional help and
explanations for math concepts
being taught in their courses.*

You CAN expect tutors to...

- Work with you as soon as
possible after you arrive.
- Answer questions and help
clarify new information.
- Demonstrate problem-
solving skills.
- Work through example
problems.

You CANNOT expect tutors to...

- Do your homework
assignment for you.
- Substitute as your instructor
when missing class.
- Know ALL the answers to
every question.
- Substitute for your own hard
work.
